Match Secretary	Mr. Robert Woolfall

Juniors

Junior Captain	Mr. Ben Bate
Junior Vice Captain	Mr. George Ledsham
Junior President	Mr. Adam Raynor

Professional

Head Pro	Mr. Tony Davies
Junior Coach	Mr. Jacob Davies

ETIQUETTE OF THE GAME OF GOLF

1. In the interests of safety, players are reminded to shout "FORE" if an errant ball is struck or there is potential danger to others on the course.
2. No one should move, talk or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.
3. No player should play until the players in front are out of range.
4. In the interest of all, players should play immediately if safe to do so.
5. Mold Golf Club operates a good neighbour policy. Players are kindly requested to report any errant ball into a neighbour's property or causing damage within the grounds of the Club, or its environs, by informing the Club Manager or Reception.
6. Players searching for a ball should allow other players coming up to pass them; they should signal to the players following them to pass and should not continue to play until those players have passed and are out of range.
7. Before leaving a bunker, a player should carefully rake all holes and footmarks made by him/her therein.
8. The Committee is extremely concerned by the considerable damage to fairways and greens caused by the failure of certain players to replace divots and repair pitch marks. We ask that all players carry out this simple, but important repair work.
9. Players should ensure that, when dropping bags or the flagstick, no damage is done to the course or putting green and that neither they nor their caddies damage the hole by standing too close to the hole or in the handling of the flagstick. The flagstick should be properly replaced in the hole before the players leave the putting green.
10. When the play of a hole has been completed, players should immediately leave the putting green.
11. The Rules of Golf, as approved by the Royal and Ancient Golf Club of St Andrews are the Rules of Golf for the Club. Members are particularly requested to observe the etiquette of the Rules of Golf at all times.

Note: Playing off the White Tees is only permitted for competition play.

Priority on the Course:

Unless otherwise determined by the Committee, priority on the course is determined by a group's pace of play. Any group playing a whole round is entitled to pass a group playing a shorter round.

Pace of Play: Players should play at a good pace. It is the group's responsibility to keep up with the group in front. If it loses a clear hole and is delaying the group behind, it should invite the group behind to play through irrespective of the number of players in the group. When a group has not lost a clear hole but it is apparent that the group behind can play faster, it should invite the faster moving group to play through.

General:

1. Do **NOT** use the Honour system (Except in Matchplay).
2. HIT WHEN READY & SAFE.
3. Always carry an extra ball in case you need to play another shot.
4. Pick up if you have reached your max / are unable to score.
5. Announce and hit Provisional Ball(s), when appropriate.
6. Watch other players' ball flight to help find / avoid searching for golf balls.
7. ALWAYS keep up with the group in front of you. If you can't, allow the group behind to play through.

On The Tee:

8. Tee off at your exact tee time, do **NOT** tee off early or late - keep the gap.
9. The first player ready or shorter hitter should hit first.
10. Be ready to hit when a group in front moves to their next shot.
11. Don't delay teeing off, mark your card while others are hitting their shots.

On The Fairway:

12. Think about the next shot and club(s) required before reaching your ball.
13. Be ready and HIT WITHOUT DELAY.
14. Shorter hitters should hit first, if longer hitters are waiting.

Lost Ball:

15. All players go to their own ball and hit it, then help look for a lost ball.

On Or Besides The Green:

16. Place your clubs between green and the next tee.
17. Study your line before and while others putt, but DON'T distract them.
18. Get ready to putt before it's your turn.
19. Whenever possible, continue putting until holed out.
20. If you can't continue putting, mark the ball immediately and stand aside.
21. Where possible, if a player is in trouble near the green, continue to putt.
22. 1st player to hole out should pick up and manage the flag.

23. After holing out, move immediately off the green & record the scores at the next tee whilst others are teeing off.

NOTE: If each person could play each hole just 25 seconds quicker, then the time to play each round would reduce by nearly half an hour and increase enjoyment for everyone.

It is expected that members will give the courtesy of the tee to the Captains at all times.
